

Punjab Station Allotment — Counseling Process Flow

Multi-Round & Academic Session Management Architecture

Key Business Rules:

- 23 counseling districts, 10 school districts with seats
- Students need all 10 choices filled before locking
- District Admin can lock; only Central Admin can unlock
- All eligible students must be locked before district finalization
- All districts must be finalized before allocation run
- Central Admin directly manages SAS Nagar / Mohali students
- Actions are audit-logged for compliance
